Aditya Kumar Gautam

Analyst

Contact No: 9198821515   **Email ID**: adityaec1006@gmail.com   **Portfolio:** https://adi0208.github.io/Portfolio/

Passionate about data analytics with a degree in bachelor of technology. Seeking opportunities where I can utilize my analytical, mathematical, and technical skills to solve real-life problems related to analyzing a big volume of datasets to draw insights that can help with business decisions

Skills

Programming	Python, R, SQL, ML, Excel VBA Macros, HTML
Visualization	Tableau, Power BI, Qlik Sense, MATLAB, Jupyter
libraries	Panda & NumPy
Database	MySQL
Soft Skills	Excellent verbal and written communication skills, presentation and storytelling skills

Courses

Fundamentals of Statistics	Python Programming	Visualization with Tableau and Power BI
Hypothesis Testing	Machine Learning Algorithms	Regression Models SQL

Certification / Recognition

- Dual participation certificate by **NASSCOM Future Skills & Jigsaw** in full-stack Data Science

- Awarded **Dazzle Award** for Automation testing.

- Certification in MATLAB.

- Certification in Automation Intelligence & IoT from IIT Kanpur.

- Certification in HWS Benefit Domain and System Fundamentals.

- Rewarded **Illuminate** award of the year for the best unit employee.

- Certification in CNS (Communication, Navigation & Surveillance) from Civil Aviation Training Centre.

Experience

Analyst

Organization: **Wipro**

Duration: Oct 2019 to May 2022

Summary - Use automated tools to extract data from primary and secondary sources Remove corrupted data and fix coding errors and related problems Develop and maintaining databases, data systems – reorganizing data in a readable format

- Analyzed complex requirements and define technical/Functional advanced solutions.

- Created test cases (test scripts) using an Automation testing tool (Prueba).

- Hands-on experience in SQL and Advance Excel.

- Worked on the thunderhead tool to create customer engagement applications that deliver Personalized, contextual, multi-Channel communication

- Analyzed the requirement, testing Strategy design, test plan preparation, test execution, and tracking defects.

- Proficient in data manipulation using SQL for the retrieval of data from the relational database.

- Documented, Troubleshoot, and followed up on the issues found during testing.

- Created Automation template test cases for verification.

- Built data visualization to generate meaningful insights from customer data.

- Converted data into actionable insights by predicting future outcomes.

- Develop dashboards to inform business decisions with an emphasis on automation and scalability.

Education

Aug 2015 – June 2019

Bachelor of Technology (ECE) - United College of Engineering and Research Naini, Prayagraj

May 2013 – May 2014

Intermediate - Kendriya Vidyalaya Naini, Prayagraj

May 2011 -May 2012

High School - Kendriya Vidyalaya Naini, Prayagraj
